Inauguration of Market Research Association (Yangon) Speech by Minister of Planning and Finance

Inauguration of Market Research Association was held at Chatrium Hotel in Yangon on Wednesday, 10th October 2018.

Firstly, U Myint Thaug, Minister of Planning and Finance of Yangon Regional Government, expressed his appreciation to U Moe Kyaw, Founder and Chairman of Market Research Association (MRA) Yangon and everyone who has put their great effort in organizing the association. He said he was pleased to announce that the opening of Market Research Association (Yangon). He revealed that he took Mathematical Statistics as his major in Yangon Institute of Economics with his mate, U Shu Kyin, the Chairman of Myanmar Statistical Association (MSA). That is why he has a great passion and interest in this area and if there would be any requests, he is ready to fulfill any tasks given for MRA and willing to support it as necessary.

He also said that market research services have been introduced since 1993 and it has already been the milestone of 25 years. As the market has become widely scattered, there are various kinds of commodities and food-stuffs and services that can support to consumers. These facts are important in economic decision of respective companies and economic policy of the country as well.

Moreover, he stated that he would gladly accept any advices that would be given on issues of which sectors need to be developed in the benefit of Yangon Region Government and so on. He concluded the speech by requesting that if Yangon Region Government needs any data of Market Research, the association would be cooperate as needed.

Construction

Sembcorp's Myingyan power plant begins full operations

Source – Myanmar Times

Sembcorp Industries' US\$300 million gas-fired power plant in Myingyan, Mandalay commenced full commercial operations following its first phase of operations in May.

The 225-megawatt Sembcorp Myingyan Independent Power Plant (IPP) is one of the largest power plants of its kind in the country and also among the most efficient. The plant is expected to generate around 1,500 gigawatt hours of power which will be supplied to state-owned Electric Power Generation Enterprise (EPGE).

The project's completion follows the signing of a long-term power purchase agreement as well as a build-operate-transfer agreement with the Ministry of Electricity and Energy. Sembcorp will operate the plant for 22 years, after which the facility will be transferred to the government.

Economy

Yoma Bank extends funds to Easy Microfinance

Source – Myanmar Times

Yoma Bank and MC Easy Microfinance signed two agreements under which both firms will extend loans totaling K8 billion to small businesses in six areas of Myanmar, according to an announcement from Yoma Bank.

The agreements will enable Easy Microfinance to expand its existing operations and include 28,000 more people, ensuring more small business owners and entrepreneurs who need working capital will have access to loans.

Currently, Easy Microfinance has 12 branches in Yangon, Nay Pyi Taw, Sagaing, Magwe regions, Mon and Kayin states which extend financial services to 70,000 members under a K 20 billion loan portfolio. Easy Microfinance is the tenth microfinance institution (MFI) to benefit from Yoma Bank funding over the past 12 months.
